To capture all the heat and hunger, he spent eighteen months immersed in the kitchen of James Beard Award-winner Tony Mawsâ€™ restaurant, Craigie on Main, in Boston. He became part of the family, experiencing the drama first-hand. Here, Haas exposes the inner life of a chef, what it takes to make food people crave, and how to achieve greatness in a world that demands more than passion and a sharp set of knives. A lens into what motivates and inspires all chefsâ€™ including Thomas Keller, Andrew Carmellini, whose stories are also shared hereâ€™ Back of the House will change the way you think about foodâ€™ and about the complicated people who cook it and serve it.Cooking, Back of the House Scott Haas, Cooking, Penguin, <http://ce-worldcongress2013.org/content/JOuBF6hezFQCworldcongressBack+of+the+House.pdf>
